SINK
FOREVER

SPECTACULAR PRODUCTS

WHO WE ARE
LET'S KNOW ABOUT

Eureka! Archimedes shouted when he hit on a method to discern the purity of gold. We jubilantly exclaimed when our first design materialised and took shape into a sink that was more than just a sink, it was an innovation- of the standard no less than that of gold. That Eureka moment- the feeling, the inspiration, the excitement never sank! A decision was then taken to christen the venture as 'Eureka' to reminisce the breakthrough and firmly etch it into memory forever.

MESSAGE

NAVIN DADHANIYA
FOUNDER & CMD

It is with immense pride and gratitude that I welcome you to Eureka, a beacon of excellence in our industry.

In an industry where high luxury meets the demands of innovation and development, we have made it our mission to lead the way. With a steadfast commitment to quality and a relentless pursuit of perfection, we have established ourselves as pioneers, redefining the standards of elegance and functionality.

Eureka has had the privilege of working on a wide range of projects, from commercial ventures to residential masterpieces. Our journey has been marked by an unwavering dedication to innovation.

At Eureka, luxury is not just a word; it's a commitment. Each project we undertake reflects our dedication to creating spaces that embody the essence of luxury and the spirit of innovation.

Thank you for choosing Eureka as your partner in luxury and innovation. Together, we will continue to build a future where your aspirations meet our commitment to excellence.

UNIQUE FEATURES OF STEEL KITCHEN SINKS

GRADE AISI - 304 STEEL
Use of finest high quality Stainless steel gives Eureka sinks their extraordinary durability and unbeatable performance.Only steel of AISI-304 grade, with 18% Chrome and 8% Nickel is used.

EXTRA DEEP BOWL
Makes washing of extra large utensils easier; you can choose from a variety of depths as per your requirement, ranging up to 255 mm deep bowls. Eureka's deep bowl is both wider and deeper than that of most ordinary sinks.

2.5MM+ 0.8MM THICKNESS
We use 2.5mm + 0.8mm thick steel because the thicker the steel, the less susceptible it is to denting, bowing, noise transmission and the hard knocks of pots and pans. So thickness is very important.

SMART DRAIN
SMART DRAIN Is Provide to Cleaned,Clog Free and waste free Drainpipe for easy drain water. It's also prevent a cockroaches through the drainpipe in the kitchen.

SOUND DEADNING PAD
A unique sound suppression pad, on all Eureka models, helps minimize the noise of utensil washing and stacking on the sink.

UNDERCOAT
Undercoat is extremely important for kitchen sinks, because it absorbs sound, protects against condensation and corrosion due to humidity in cabinet. All Eureka sinks are spray coated with exclusive undercoating.

ISO 9001:2015 MARK
Eureka believes in quality and customer satisfaction. This can be proved by the ISO mark which, in itself is a landmark in quality services.

Years of experimentation have allowed Eureka to guarantee the use of premium quality raw materials and the creation of excellent finished products in terms of: from and function; ease of use and total safety; water and energy savings with environmental production in mind.

Eureka Stainless Steel Sinks Are Guaranteed For Lifetime Against Faulty Workmanship And Material.

STEEL SINK WARRANTY

* TERMS & CONDITION

In case of platform renovation due to sink breakage the company will compensate only replace the sink.

- Piece to Piece replacement of kitchen sink will be life time.
- Warranty does not cover if breakage due to fitting mistake.
- Warranty will be valid only for domestic use only.
- Warranty will be valid only for manufacturing defect.
- Warranty does not cover for chemical lab or any chemical unit.
- Warranty does not cover if use of any acid or hazard chemicals.
- Because of production limitation, product size may be varied.

INSTRUCTIONS TO BE FOLLOWED CAREFULLY :
1. It is imperative to go through any product for warning or instructions before using it on stainsil steel.
2. Before using a product directly on the entire utensil, try it on a spot or portion of the utensil that is not noticeable immediately.
3. Chlorine bleach containing products need to be only used in an utmost need, but the utensils must be washed clean and dry immediately after their use or stainless steel might get damaged.

STAINLESS STEEL CLEANING PRODUCTS :
Sponge or soft cloth use with soapy water rubber is generally used for cleaning of most stainless steel utensils. Wash clean and dry with a soft cloth immediately so that unnecessary marks or linings on the utensil may be prevented. Commercial stainless steel cleaning products may also be of good use as recent quality tests have proved these to be more advantageous in cleaning stainless steel utensils.

Care & Cleaning & warranty

LIMITED 5 YEARS WARRANTY

Everyday Cleaning :
Wash your sink using warm water, a soft cloth or non-abrasive woven nylon pad and a non-abrasive liquid cleaner or detergent. This can be done as often as the sink is used.

Metallic Abrasions or Heavy Stains :
Wipe the sink using a soft cloth or non-abrasive woven nylon pad and a liquid scouring product Apply the liquid scouring product sparingly and rub lightly. Repeat as necessary until sink is clean.

Hard Water, Calcium and Lime Deposits :
Wipe with a non-Abrasive woven nylon pad and white vinegar. Rinse after 20 minutes.

Do Not Use :
Abrasive cleansers, abrasive scrub pads or alkali cleaners such as ammonia.

FIVE YEARS Limited Warranty warrants to the Original/ First registered Owner of the Product, that the Product shall be free from manufacturing defect under normal use and service, for FIVE YEARS from the date of completion of installation/ fitting of the Product. This FIVE YEARS Limited Warranty shall apply only for interior application (i.e. for the household use).Please note that onsite warranty service is unavailable; however, we promptly supply replacement parts via transport or courier services. Rest assured, we're committed to resolving issues promptly.

Charismatic
Look with Efficiency & Durability

FAUCET & ACCESSORIES

Our faucets and allied accessories boast exceptional features including sleek, modern designs that enhance any decor, superior durability for long-lasting performance, and advanced water-saving technology. Experience the convenience of easy installation, effortless cleaning, and precise water flow control. Elevate your home with our top-quality fixtures.

WARRANTY FAUCETS

We provide warranty coverage for manufacturing defects only. In the event of water leakage caused by cartridge issues, we offer a replacement cartridge within two years from the date of purchase. **Please note that onsite warranty service is unavailable; however, we promptly supply replacement parts via transport or courier services. Rest assured, we're committed to resolving issues promptly.**
